<u>ORDER</u>

Having been referred this matter for general pretrial, the Court has reviewed Defendant's renewed request for an extension of discovery deadlines. (ECF 26). That request is GRANTED. The fact and expert discovery deadlines are hereby extended to **January 23, 2020**. Although Defendant's letter outlines some outstanding discovery, the Court notes that Defendant's letter failed to include what expert discovery is needed and did not propose a way to resolve the raised issues with Plaintiff's document production.

Accordingly, the Court will hold a Status Conference in this matter on **Thursday, January 23, 2020 at 10:30 a.m.** in Courtroom 20D, Daniel Patrick Moynihan U.S. Courthouse, 500 Pearl Street, New York, New York 10007. Prior to the conference, the parties shall meet and confer on any outstanding discovery disputes and be prepared to address such disputes at the conference. By **January 16, 2020**, the parties shall file a joint status letter, which shall include what discovery has been completed, what discovery disputes exist, and what fact and expert

discovery are still needed.

SO ORDERED.
